

Burlington Basketball Registration Statement – House League

IMPORTANT NOTICE! PLEASE READ BEFORE REGISTERING!

Due to COVID-19 and the uncertainty of the start of the 2020-21 house league season, we have made some slight adjustments to the registration process. Registration for the upcoming season will open Thursday July 2nd at noon (12pm) EST. Once you complete the registration process, you will automatically be put on a wait list. We will NOT be accepting any form of payment for registrations at this time. Once we get the green light from the government, basketball governing bodies, the city, and the school boards, we will then take the first select number of registrants from the wait list and open up their registrations for payment (further payment instructions will follow). When registering, please ensure that your email is correct, as we will be using the email associated with the registration to reach out for future communications.

During the registration process, we will ask each registrant to agree to a COVID-19 waiver. It will pop up automatically during the registration process. Failure to agree to the waiver will result in an invalid registration. We have also introduced an update Burlington Basketball refund policy as well as a new COVID-19 refund policy in place for the upcoming season. Failure to agree to both the Burlington Basketball refund policy as well as the COVID-19 refund policy during the registration process will result in an invalid registration.

Once again, this year we will NOT be accepting friend requests (with the exception being NCAA co-ed). The number one complaint from parents over the last few years was the lack of competitive balance among teams, and we believe that friend requests played a big part in this. When instituted last year, we noticed a significant improvement in this regard. We are hoping to continue the improved competitive balance and allow every team to truly have fun each year, win or lose. We hope you understand. The only exceptions to this rule are family members.

We want to thank you for choosing Burlington Basketball and we look forward to making this year a memorable one for all!

Connor Chambers
